GRAND JURY SAYS ENFORCEMENT BAD

Severe criticism of law enforcement conditions in Milam county together with a sharp rebuke of the county criminal court for its leniency toward convicted violators is contained in the final report of the grand jury made late Wednesday and handed to the Herald for publication.

Due to the length of the document and the limited time the report could not be included in this issue but will

follow in total in next week's issue. The grand jury directs officers to enforce law against merchandising on Sunday among other things. The grand jury cites statutes prohibiting Sunday merchandising.

The Herald will produce complete in next issue the entire report of the grand jury which the jury directed the sheriff to have published in every newspaper in Milam county.

Perrin Gives High Lights On Mexico City Visit

By E. A. PERRIN

The Yoe High School football team with their coach, superintendent and friends are all back in Cameron having arrived on last Sunday, after a delightful trip to Mexico City where the football team played the American Foundation School on October 12.

The bus which left Cameron on Saturday morning, October 7, at 4 a. m. carrying 27 passengers, was driven by Superintendent E. A. Perrin. In Coach Wood's car which went along were the coach and Mrs.

Wood, Bobby Wood, Mr. and Mrs. Albert Collins and Lucia Kruse.

The party arrived at Monterrey, 460 miles from Cameron, at 5:45 Saturday afternoon and spent the night at the Regina Courts. On Sunday morning they left Monterrey and drove to Valles where they spent the night. On Monday when they reached Jarcoala, the hard driving through the mountainous country necessitated repairs on the bus so another bus was chartered for the football team to complete the trip to Mexico City and Mr. Perrin (Turn to page 6)

Noted Jurist

JUDGE W. C. DAVIS

Judge W. C. Davis of Bryan was in Cameron Monday to try a case in which Judge Gillis was disqualified, he having exchanged benches with Judge Davis for the week. Judge Davis is no stranger in Milam county. He served as District Attorney of the old 20th Judicial District composed of Milam, Brazos and Robertson counties for eight years prior to the division of the District. Since that time he has been District Judge of the 85th District composed of Robertson and Brazos counties. Judge Davis is the Presiding Judge of the 2nd Administrative Judicial District and a member of the Texas Civil Judicial Council.

Personally and officially Judge Davis was and is very popular in Cameron and Milam county and his host of friends are always glad to see him. He was one of the ablest district attorneys in Texas and by his fearless prosecution succeeded in reducing the commission of crime in this county to a minimum. It was here he acquired the title of "Penitentiary Davis." As an advocate before juries and as an eloquent speaker, he has no superiors.

In conversation with a Herald reporter, Judge Davis said, "It is always a great pleasure to me to visit in Cameron and meet my many friends made years ago. There is no finer citizenry anywhere than in Milam county. However, it is with deep and puerile regret that I am reminded of the passing of so many of the members of the bar and prominent citizens who contributed in a great way to the progress and development of Milam county and Texas. I see evidences of prosperity on every hand, improved farms, business houses and new homes, but above all, I note the spirit of confidence and optimism that seems to prevail among the people here."

Buick Car Burns On Highway Here

A 1939 Buick coach driven by R. S. Biggerstaff, representative of the International Harvester Company, caught fire Tuesday while Mr. Biggerstaff was enroute to Taylor, and was almost totally destroyed.

Mr. Biggerstaff had been to Cameron and was on the highway near Sandy Creek when he said he saw smoke and drove his car to the side of the road and stopped. Upon investigation he found the trunk at the rear of the car was in flames. What caused the fire has not been determined. The automobile was brought to Cameron by a local wrecker service.

BISHOP QUINN TO SPEAK HERE SUNDAY

Bishop Clinton S. Quinn of Houston will be in Cameron Sunday morning at All Saints Episcopal Church to deliver a sermon.

Rev. J. P. Love, Rector of the church, announced the services and extends a cordial invitation to the public as well as many personal friends of the Bishop to attend the services. Bishop Quinn is a widely known American figure and recently appeared in New York for an address before the New York Rotary Club.

CITY WILL BUILD SWIMMING POOL

The City Council in session Tuesday night, furthered their plans on the building of a swimming pool for Cameron but reached no definite agreement as to the location of the pool, although they have access to several places which are suitable.

It was understood that plans and specifications would be submitted together with an application for a federal grant to help finance building of the pool, to the Public Works Administration this week. The city has had an eight thousand dollar PWA grant approved for a similar project for almost a year but it will be necessary to make a new application as new plans and specifications must be filed.

"The Women" Talk About Men at Cameron Theatre Sunday Oct. 22

Learn all about men from "The Women" at the Cameron Theatre on Sunday and Monday, October 22 and 23. This picture which features some of Hollywood's favorite actresses including Norma Shearer, Joan Crawford, Rosalind Russell and Mary Boland, is said to give an interesting survey of the conversation of women to other women when they talk about men. "The Women" promises to be one of the best pictures of the month.

"Elsa Maxwell's Hotel For Women" is scheduled for its last showing on Friday. This picture features Linda Darnell, Ann Sothern and Elsa Maxwell. On Saturday the Cameron offers for its main attraction "Way Down South" with Bobby Breen and Alan Mowbray. The preview Saturday night is "Torchy Plays with Dynamite."

The program at the Milam for Friday and Saturday stars Charles Starrett in "Spoilers of the Range."

Local Legion Post Plan Full Day Celebration Armistice Day Here

To the stirring notes of "First Call" and "Reveille" and to the sound of exploding aerial bombs, Cameron citizens will awaken on the morning of Armistice day fully aware that the veterans of Milam county are planning big things for this day.

Formulated plans call for the biggest celebration that Cameron has enjoyed in years. After the novel "First Call" there will be a past-commanders breakfast at one of the downtown cafes, to which it is urged that all past-commanders of American Legion Posts in Milam County come. Then at eleven o'clock, the parade of the colors will be held and a salute to the war dead will be given by the firing squad.

At noon will come the big turkey dinner at the Ada Henderson School and this promises to be the peak of the celebration, because this year, unlike all other years, tickets will be sold for the banquet so that the public will have an opportunity to enjoy this annual treat with the ex-soldiers. Tickets will be placed on sale well in advance of the celebration, and a record crowd is expected to take advantage of a good program and turkey dinner.

Both afternoon and night there will be entertainment at the American Legion Ball Park—most probably a rodeo at each time. And as a fitting climax for a full day, a dance will be held at the National Hall to which the general public is again invited to dance to good music.

R. J. STEVENS IS BURIED AT SALEM

Funeral services were held Sunday afternoon at 4 o'clock for Bob Stevens, 74, who died at his home in the Salem community at 8:30 Saturday October 14.

Services were conducted from the Salem Methodist Church with Rev. Aln R. Reed, pastor of Minerva (Turn to Page 12)

CONFERENCE TILT MAY BE DISTRICT INDICATOR

When the Yoemen resume conference play Friday night, they will have behind them one of the most novel experiences that may come to gridiron men, that of having played in a foreign country.

Reaching the city at 6 a. m. Sunday from Mexico City the Yoemen took things easy but have resumed normal schedule to get in shape for the game with Georgetown Friday night.

Georgetown's defeat of Belton stamps Williamson county team as one of the ranking favorites for the conference title and the Yoemen will have one of the hardest games of the year.

The game in Mexico City was lost 7 to 0. Coach Carol Wood in describing the game Wednesday to the Cameron Rotary Club, said the Yoemen were faced with many difficulties including a rough and tumble battle in which the survival of the fittest was the order. He said the Yoemen played their best game of the year, losing on an intercepted pass in the last minute of play.

Red Tindall, star end, was ill and unable to play in Mexico City. Climatic conditions together with food to which the Yoemen are unaccustomed, led to considerable illness in the ranks but all are back in form and will be ready for Georgetown Friday night.

On October 27, the Yoemen meet Taylor in Cameron and it is expected that the Taylor game will be the most severe test of the season with the exception, if Belton continues to improve, the Tiger-Yoemen battle in Belton on November 10, will be the major engagement for the season.

45 Years in Business Record of Cheeves

Forty-five years in business is being celebrated here this week by Cheeves Bros. Dry Goods Store founded almost a half century ago.

The celebration, while providing unusual bargains for the buying public, will be interesting also because it will recall much of the early commercial history of Cameron.

S. W. Cheeves came to Texas from Alabama with his brothers when he was a young man and they first entered business in Reagan where they operated a grocery store.

Later they went to Temple where they opened the Cheeves Bros. Dry Goods Store, the oldest of the chain of these stores which were later to grow up in many Texas cities.

Forty-five years ago Mr. Cheeves came to Cameron and opened his own business apart from his brothers, beginning in the building now occupied by the Clifton & Triggs Auto Exchange. After the business here had a good start, Mr. Cheeves left it in the management of Arthur Tabor and went back to the Temple store and did not take over active management of the store himself until in 1901.

R. H. McIntosh early became associated with the Cheeves Bros. stores, serving as an employee under S. W. Cheeves when the store was first opened here. Mr. McIntosh stayed with the business later buying stock and at this time helps Frank Cheeves, son of S. W. Cheeves, operate the business.

Mr. Cheeves bought the R. S. Porter dry goods store in 1911 and began operation of his business in its present location at that time. He moved to Cameron in 1901 and was in active management until his death on December 25, 1930. Since that time his son, Frank Cheeves and Mr. McIntosh have managed the store.

At one time there were a large chain of Cheeves Bros. stores. Today there are stores in Cameron, Temple, Waxahachie and Marlin.

It is interesting to note that the employees of the Cameron store have been with the business for years, the oldest of whom in point of service being Mrs. W. J. Woods, who has been with the store 39 years. At this time there are nine regular employees, all of whom are experienced, courteous and efficient in serving their customers.

COMMUNITY CHEST BOARD MEMBERS NAMED

An annual meeting in the interest of Cameron Community Chest was held in the Chamber of Commerce rooms on Wednesday night.

Reports of secretary and treasurer showed excellent work accomplished for the several participating agencies, Mrs. J. P. Love, of the publicity committee said. Reports from these agencies will be ready for publication within a few days.

The following were elected members of the Community Chest board for the ensuing year: John Jeter, Mrs. W. O. Triggs, Albert Collins, Stanley H. Swift, Fred Blake, Rev. J. P. Love and Homer McLane.

Legion Rodeo Sat. & Sun.

The roaring days of the old west live again here Sunday when the American Legion stages the second rodeo of the month with a full program of contest events in which some of the best cowboy talent of the state will take part.

Cash prizes that are very attractive are being offered.

The rodeo is a two day show opening Saturday, October 21 at 7:30 p. m. at the American Legion Ball Park, and will be resumed at 2:30 p. m. Sunday giving a rollicking two day program in which the people will see a series of big thrills.

Picnic Oct. 25 National Hall

On Wednesday, October 25, at National Hall an all day picnic will be held with public speaking beginning at 2 p. m., it was announced here today by John Stasa.

A plate supper will be served beginning at 4:30 and continuing until 8 p. m. with a charge of twenty-five cents for the plate.

There will be a dance at night from 9 to 12. The committee meeting to make arrangements for this all day picnic will have additional announcements to make

MRS. SAM HEFLEY DIES IN HOUSTON

Funeral services for Mrs. Sam Hefley, who died in a Houston hospital at 8:20 a. m. Saturday, were held from the Chapel of the Coleman Funeral Home at 2:30 p. m. Sunday, October 15.

Mrs. Hefley, widow of the late Sam Hefley, widely known Cameron business man and member of the Texas Legislature, had been in critical health for several months. She was taken to a Houston hospital on August 21, and at that time physicians said she could not recover.

During the past week her condition became most critical and death came Saturday morning.

The body was brought to the Coleman Funeral Home early Sunday and services were held there at 2:30 in the afternoon by Rev. V. M. Cloyd, pastor of the First Baptist Church. The body was buried in Oak Hill Cemetery in the family burial plot.

Mrs. Hefley was the daughter of the late Dr. Nathan Cass. A sister, Mrs. J. C. Jones survives and lives in Houston. A brother, Nathan Cass, resides in New York. Another brother, Dr. Jessie Cass, died a number of years ago.

Mrs. Hefley was born and reared in Cameron and after the death of (Turn to page 6)

Rotarians Hear About Mexico City Sojourn

Giving their impressions of Mexico, incidents of the trip and praise for the hospitality of the Southern Republic, five members of the Cameron Rotary Club Wednesday with Stanley Swift as toastmaster for the day, brought the weekly program in a spirited, rapid fire discussion of all points involved in the summary of the visit to Mexico City.

Mr. Swift, introducing the speakers, proved an ideal toastmaster. Opening the program was J. R. Hays, post master, who told the crowd about the trip through the picturesque country. He said the most interesting thing to him is the method of life in Mexico. The government does not permit the use of machinery

in the production of crops and all labor is by hand. There are no rural roads but the highway leading to Mexico City, said Mr. Hays, is a marvel of engineering skill.

M. G. Cox, in a five-minute summary, recited the history of Mexico from the time of its early settlement to the founding of Mexico City in the 13th century and on to the present time. Mr. Cox had on exhibition two small images, one of the sun goddess, the other not known. He also had a fragment of an obsidian knife used in ceremonies in the ancient temples in the country of the pyramids near Mexico City.

F. G. Blake gave an interesting (Turn to Page 12)

Driskill, Deputy State Superintendent are progressing nicely in their visits to the schools of Milam county in the interest of the salary aid bill. Tuesday their program included visits at Thorndale, Sharp, San Gabriel and Ad Hall. The purpose is to ascertain to what extent these schools are eligible to participate in the something over \$13,000,000 equalization fund.

Bob Stevens who has been critically ill at his home in the Salem community, was reported this afternoon to have grown suddenly worse and his condition is considered grave. He is the brother in law of Womack Brashear, justice of peace of Cameron.

Only The Best

We set high standards for purity and quality and live up to them.

In Blake's Orange and all soda waters we use nothing but purified water, Imperial cane sugars, and the highest grade flavoring.

Quality will always distinguish a better product.

Each Saturday only, beginning September 2nd we will give to school children, 1 pencil for each 5 Blake's Orange crowns. Limit, 2 pencils per child per week.

COUNTY AGENT BUSY
TERRACING FARMS

George Banzhaf, county agent, reports a large scale program of terracing being done on Milam county farms at this time. Mr. Banzhaf said on Tuesday he ran approximately 6000 yards of terracing lines on the Joe Stocklas farm one mile west of Cameron. Wednesday the county agent will run terracing lines on the Harry Tag farm near Walkers Creek.

W. D. Bigbee of near Mineral Wells was home for the week end.

BEING THREATENED BY
GOERING'S AIR ARMADA

Events in Europe today were moving swiftly to a climax, indicating the trend the war will take in the next few weeks.

Late yesterday German bombing planes staged two attacks on the British Naval yard at Scapa Flow doing considerable damage to war ships. The British reported that four German planes were shot down as the anti-aircraft batteries were called into play.

On the western front there was still no major operations but the Germans had scored a few successes in driving French troops out of advanced positions.

It had been definitely determined that Turkey is resisting Soviet negotiations for control of the Black Sea and the Dardanelles.

The war for the next few weeks will no doubt find Germany using her air might to break the blockade of the British fleet.

The government of Holland was planning a vigorous protest to Germany because Dutch planes had been fired upon by German anti-aircraft guns as they flew along the Netherlands border in their own territory.

The British Admiralty announced that more than eight hundred men had been lost when the battleship Royal Oak was sunk.

The Germans were continuing to concentrate large numbers of troops and motorized equipment on the western front in the region of Switzerland and the Moselle and Saar Valleys indicating that Hitler would make good his threat to hurl two million men at the allies on the western front.

FARM CLUBS
NEWS

Rev. V. M. Cloyd visited the Curry School Monday morning for the opening exercises and made an interesting address to the students.

The 4H Club met at the home of Mrs. John Hause, sponsor, Wednesday, October 4, for the second regular meeting.

New officers for the Curry Club this year are: President, Margie Tindall; Vice President, Clara Deviers; Secretary and treasurer, Pauline Cluck; Reporter, Mildred Pate; and Pep Leader, Fayola Whitley. The demonstrators will be appointed at a later date. Miss Ethel Mae McCormick assistant Home Demonstration Agent, met with the club.

The Sharp Parent Teachers Association met Tuesday afternoon, October 10, at the Sharp High School for its regular monthly program.

Thirty members were present. The program was Conservation.

Nash Keel gave a very interesting lecture on the part of the parent in conserving the child, and the types and treatment of the problem child. Miss Helen Terry reviewed briefly lectures by nationally known authorities in the field of conservation of wild life, and our natural resources.

Plans were made to hold the study course on Mental Hygiene on 6 consecutive Thursday evenings, beginning October 19. All who are interested are cordially invited.

The Sharp Chapter of Future Homemakers is organized and has had two very successful meetings to begin the year's work. About 35 Future Homemakers met and initiated 12 new members in a candle-lighting ceremony on October 3. This year the chapter is meeting monthly, and the sectional groups based on Homemaking classes will meet twice monthly, having one social and one program per month. The chapter is operating under the group of officers elected last May:

President, Virginia Haseh; Vice President, Doris Wells; Secretary, Dorothy Gilbert; Treasurer, Helen Young; Reporter, Ruby Marie Dunham; Historian, Ida Frances Cummings; Song Leader, Dorothy Lee Hertenberger.

Following are the sectional officers:

Homemaking 1: Chairman, Opal Malone; Vice Chairman, Arnel Graves; Secretary, Lola Mae Witcher; Treasurer, Joyce Bolton; Reporter, Margaret Garlicks; Song Leader, Viola Abel.

Homemaking 2: Chairman, Mary Anne Laffere; Secretary-Treasurer, Onie Bell Hook; Song Leader, Nonie Lee Hook.

Homemaking 3: Chairman, Annie Laura Laffere; Secretary-Treasurer, Eloyce Cryer; Song Leader, Frances Dodd.

Mrs. James Elrod,
Council Reporter,
Cameron, Route 3

The Milam County Home Demonstration Council met at the Court House Wednesday afternoon Sept. 27th, at 2 o'clock. There were 9 clubs represented and three visitors.

Mrs. Lewis Modessette, Mrs. James Elrod and Mrs. Cecil Plate, Milam County delegates to the State Home Demonstration Association at Lubbock, gave an account of the work of the Association.

The Young Men's Business League of Rockdale is putting on a poultry show October 26, 27 and 28. The Home Demonstration Clubs are to have an educational exhibit in poultry. The exhibits will be scored and ribbons awarded. Instead of prizes, each club exhibiting will be given an equal part of the money, furnished for this department.

Council voted to change the club demonstrations and to finish up poultry and kitchen in special meetings. The clubs will take one year of gardens and two of bedroom improvement.

Mrs. Edward Senkel
Bryant Station Home Dem Club
Rogers, Texas:

"If economy must be the first consideration, choose plain rather than colored utensils when buying kitchen equipment," Miss Dorothy Porter, Home Demonstration Agent told the Bryant Station Club at a meeting with Mrs. B. B. McNulty, Thursday September 21st.

"If plain utensils are used, color may be supplied with paint, wall paper or curtains," Miss Porter said. "Besides economy, suitability should

also be considered. Don't buy an article because your neighbor has one like it. A good buy for her may be a poor buy for you," the speaker warned.

Election of officers was the chief business named by Mrs. G. H. Beckhusen, club president, during the business meeting preceding Miss Porter's demonstration. Officers were elected as follows: President, Mrs. G. H. Beckhusen; Vice President Mrs. Beuna Chambers; Council Delegate, Miss Nell Blackstock; Secretary and Treasurer, Miss Cleo Neal; Reporter, Mrs. Elmo Obermiller; Parliamentarian, Miss Ellen Neal; and Recreational Leader, Mrs. Elmo Obermiller.

The next meeting will be at the home of Mrs. Charlie Lively on Oct. 12th. Visitors are welcome.

LILAC HOME DEM. CLUB

The Lilac Home Demonstration Club met for a regular meeting, Thursday, October 5th, in the home of Mrs. Edgar Campbell, with Miss Porter, our Agent present.

Our president being absent, the Agent went on immediately with one of her interesting discussions, this one being "Small and Useful Kitchen Equipment."

Plans for our activity on Achievement Day were discussed.

There were 6 members besides the Agent present. The next meeting will be with Mrs. Eva Wilson.

MINERVA 4-H GIRLS
HEARD OVER RADIO

Rita Currey and Mercile Dixon of the Minerva 4-H Club were heard in a special broadcast over Station KTEM, Temple this morning at 11 o'clock. The girls gave an interesting program on the activities of their club under sponsorship of the County Home Demonstration Agent and her assistant.

CARNIVAL AT CLARKSON

A Halloween Carnival will be held at the Clarkson school on Thursday, October 26. There will be a fish pond, refreshments, a side show and many other attractions to provide an evening of fun for everyone.

No admission will be charged and everyone is invited to attend.

To Ease Women's
Pain: "Build-Up"

Do you suffer periodically from headaches, nervousness, irritability, restlessness or cramp-like pains? If so, here's good news! These may be symptoms of functional dysmenorrhea, which is so often caused by undernourishment. By improving the appetite, digestion, assimilation, through the proper use of CARDUI, women by thousands find they are able to build strength, energy, and nerve-force. Thus periodical pain is relieved for many users of CARDUI. By taking it just before and during "the time," women by thousands report that CARDUI also helps to ease the pain and discomfort of the period.

NYA GIRLS PROJECT
TO BEGIN NOVEMBER 1

Arrangements have been made for beginning the NYA Girls Resident Center in Cameron about November 1, 1939.

Since this training program will accommodate 15 girls and a supervisor, living in a co-operative home it will be necessary that proper furnishings be provided. Certain articles of furniture will be needed to furnish kitchen, dining room, living room and bed rooms.

It is hoped that the people of Cameron and Milam County will lend various pieces of furniture and equipment to be used in this project for Milam County girls, with the understanding that such articles will be cared for and improved and be returned to the owners after the completion of the training program.

The local advisory committee and NYA representative will appreciate the offer of these articles, or information as to where they may be obtained.

45 YEARS in Business

This Store is 45 Years Old This Fall

Over a long period of years entire families from one generation to another have done business with us: father, son and grandson and these mutually pleasant relations have extended through their friends and neighbors whom they have recommended to buy here. Old and new, friends always receive a hearty welcome.

and many have said that they were never treated any better by anyone ever before in their lives.

Among patrons through all these years have been many of the finest men and women anyone could hope to meet. We appreciate your business and value your friendship.

As long as the war lasts all prices will undoubtedly stay on a higher plane than we have been accustomed to during the past several years and prices on merchandise will be somewhat advanced. It will DEFINITE-

LY not be our intention to profiteer at the expense of our customers and you many rest assured that we will keep prices as low as we can for as long a period as possible.

Exquisite MILLINERY

The high standard of excellence which we have set as our goal is exemplified in the clever and pleasing creations we have to show.

We are constantly changing and bringing forth new styles, so if you did not see what pleased you last time you were here, the very hat you want may be in stock now.

the limited distance.

Of much interest also was the methods of transportation. Long winding highways lead through the heart of the Republic but there are no country roads as there are in the United States. With only a few trails at best, produce is brought from the farms on the backs of the farmers, on donkeys and by ox-cart to be trucked when it reaches the highway.

In Mexico City the boys and their sponsors were entertained at Hotel Regas at the expense of the American Foundation School. They were guests of honor at the general assembly meeting on Wednesday and again 4 to 7 in the evening the boys were entertained with a dance given by the school. Coach and Mrs. and Dan Caldwell stayed over night in Jarcola, driving the bus on to Mexico City the next day.

The football team arrived in Mexico City at 3 a. m. Tuesday where they registered at the Regas Hotel and spent the time before game in sightseeing and being entertained by the Foundation School.

Along the route the group enjoyed the beautiful mountain scenery, the mode of living in the villages and

on the country side, the varied structures of the residence sections and the business houses, changing from adobe to straw and palm and back to adobe as they neared Mexico City, the tropical fruits and other vegetation, and the many other things of interest in the Southern Republic. The party found of especial interest the methods of agriculture, where in the mountains it is necessary for the farmer to tie himself to his field and cultivate within Wood and Mr. Perrin were dinner guests of Superintendent Cain of the Foundation School on Wednesday evening. The team was given free tickets to the Columbus Day celebration on October 12, in which 24 Central and South American countries participated and presented the festivities in the Fine Arts Building. Among other places visited by the group were the Cathedral and the International Palace.

In regard to the game Mr. Perrin said the Yoemen played a much stronger team than was the case last year when the Foundation School came to Cameron. The game was hard fought with a score of 7 to 0 in favor of the Foundation School.

The return trip was made with few stops with the party spending the night at Vallas and reaching Cameron at 6 o'clock Sunday morning, October 15.

The Dallas Morning News

"Texas' No. 1 Newspaper"

"The Dallas News is one of the best newspapers in America. It is free from sensationalism, its editorials are admirable in matter and expression, and its reports accurate."

—From Autobiography With Letters, by William Lyon Phelps, published by Oxford University Press, 1939.

The News relies not alone on one great wire service—it has TWO... the greatest in the world—Associated Press and United Press. It also has the great wire feature service of North America Newspapers Alliance (NANA.) Most newspapers would be content with these—but NOT The News, which also maintains its exclusively-owned bureaus in Washington, Austin, East, West and Central Texas... to say nothing of more than 200 local correspondents scattered over the Southwest... and the largest local staff of editors, reporters, artists and feature writers of any newspaper in Texas.

In the BIG SUNDAY NEWS you get:

A Rotogravure Picture Section, "THIS WEEK" Colorgravure Magazine, a 16-page comic section in full colors, also The American Institute of Public Opinion, with Dr. Gallup's weekly polls.

NEWS FROM BUCKHOLTS

Rev. and Mrs. Edwin F. Lampe of El Campo, were guests of Rev. and Mrs. A. E. Flathmann the past week.

Miss Emily Jean Miller, Miss Madeline Achzener, Miss Annie Zinkhan and Herman Zinkhan, all of Regina, Saskatchewan, Canada, arrived in Buckholts October 7, to be the guests of Rev. and Mrs. Flathmann and family for a week.

While in Texas, the above party, accompanied by Rev. and Mrs. Flathmann and Pauline, visited various points of interest at: Seguin, Austin, West Point of the Air, San Antonio, The Rio Grande Valley and Mexico. On October 15th they took their departure, en route to Regina. Mrs. Flathmann is a sister of Miss and Mrs. Zinkhan.

The Delphian Chapter met with Mrs. Hilry Stedman Tuesday afternoon with eighteen members present. Subject of the lesson was "Foreign Affairs," which was ably talked on by Mrs. E. A. Flinn. Janice Meredith was reviewed by Miss Susie Butts. Walt Whitman, Prophet of Democracy, and selected poems, was given by Mrs. Clarence Freeman. Following the program the hostesses served whipped cream pie with hot tea.

Sn Gabriel NYA

The San Gabriel NYA project re-organized in July, is progressing nicely, the main purpose being to improve and beautify the San Gabriel High School campus.

The project is under the sponsorship of Jamie L. Clark, Paul Langston and H. D. Kay, Jr., teacher of vocational agriculture. This year an educational program is being sponsored in connection with the work program.

Approximately thirty youths between the ages of 18 and 24 are now being employed for a period of 62 hours a month. They are receiving splendid training in shop work, wood and mortar construction, landscaping, office work and agriculture under the direction of H. D. Kay, Jr.

Accomplishments since July include the digging of several wells, erecting of a twenty-five foot tower, the purchasing of a hundred barrel cistern by the school and the laying of pipe lines to furnish water facilities for the school.

A club has been organized and the following officers elected: President, Howard Fulcher, Jr.; Vice President, Guinn Gifford; Secretary, Clyde Reed; Treasurer, Joe Bailey Roepke; Sergeant at arms, Otto Wagner, Jr.; song leader, Duncan Garner; Reporter, Clyde Cummings; and sponsor, H. D. Kay, Jr.

Much is expected through the organization of this club and a well mapped program toward beautification of the school campus.

CARD OF THANKS

We wish to thank our many friends and neighbors for the kind things they have done for us during the time since our home burned together with all of our furniture and clothing. They have shown themselves to be true friends in helping us at this time and we greatly appreciate each thing that has been done for us. We want especially to thank the Cameron Fire Department for their attention and the insurance company that helped us bear the loss.

Mr. and Mrs. C. N. Payne.

THE LITTLE DAILY GETS WIDE CIRCULATION WITH COPIES GOING TO CANADA

Three copies of the Daily Midget were taken to Saskatchewan, Canada, early this week by patrons at the Blue Bonnet Cafe.

Fred Jackson, enterprising owner of the Blue Bonnet obliged his guests by giving them several copies of the Little Daily and they expressed their intention of taking them to their homes in far away Canada. One copy of the Little Daily was mailed to Rome, Italy, several months ago.

Helen Danek, waitress at the Blue Bonnet, said she saw a Little girl with a Midget in her hand at the Prison Rodeo in Huntsville two weeks ago.

paid last year to Texas
telephone people

Into pay envelopes for Texas telephone people last year went nearly 12 million dollars—wages to operators, to linemen and repairmen, to others in the far-flung brigade of Texas telephone people.

The largest item in the cost of furnishing telephone service in Texas is the wages paid to the 8,700 men and women who make Texas telephones talk. Of every dollar it cost last year to furnish telephone service in Texas, more than 40 cents went for wages.

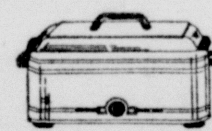

Nearly 12 million dollars' worth of human energy and skill went into your telephone service in Texas last year... to the people who furnish you fast, accurate, and dependable telephone service... yet the cost of a telephone in your home is only a few pennies a day.

FORMER CAMERON PASTOR GETS HONORABLE MENTION IN METHODIST MAGAZINE

A photograph of Rev. Charles T. Tally, former pastor of the First Methodist Church of Cameron, appears in the Texas Conference Special Edition of the Southwestern Advocate. Rev. Tally is now pastor of the Methodist Church at Lufkin in East Texas. He was a Cameron pastor thirty years ago and later served the Marlin District as Presiding Elder. Many longtime residents of Cameron will remember Rev. Tally and his work here. The article in the Southwestern Advocate gives an interesting history of the Lufkin Church.

Mr. and Mrs. W. H. Fleming, Mrs. Burtin Pierce of Edenburg, Mrs. Max Springer and daughter, Maxine of San Antonio, and Mr. and Mrs. Robert Love of Taylor spent Sunday in the city with Mrs. Lela Maud Love. Mrs. Flemming and Mrs. Springer are sisters of Mrs. Love. Mrs. Pierce and Robert Love are her daughter and son. Mr. Fleming is a revenue officer with headquarters at Brownsville.

THINK!

Chemistry at Work

You may never have studied chemistry, and if you did, you've probably forgotten the details. But you know what remarkable chemical changes take place when different substances are brought together under the combined effect of heat and pressure. . . . That's exactly what happens under the hood of your car. There, oxygen is brought into contact with the motor oil under heat and pressure. And unless you use an oil like Humble's Balanced 997 (and it's hard to duplicate), the result is motor oil oxidation, which results in motor deterioration, just as the oxidation of iron results in rust. . . . So the thing to do is use a motor oil so designed that it resists oxidation. . . . Here we are at your service, for we have such an oil in the definitely improved Balanced 997. This is truly a remarkable oil, for in addition to its distaste for combining with oxygen, it has all the other desirable qualities of a motor oil in perfect balance—so that it delivers perfect performance in your car. . . . See for yourself. Stop at the nearest Humble sign, drain and refill with Balanced 997 Motor Oil.

LIONS CARNIVAL IS BIG SUCCESS

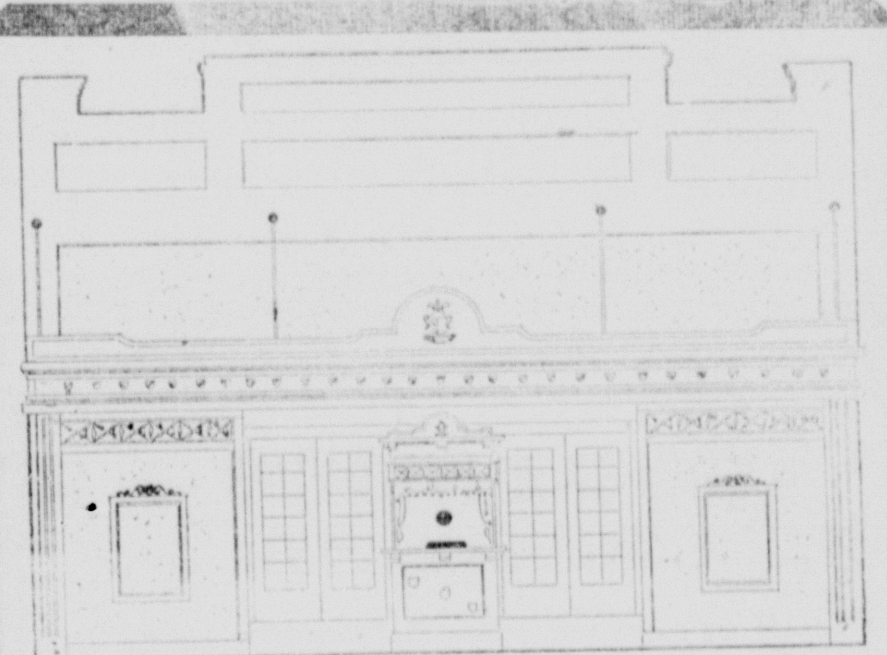

The Lions Club carnival held here on last Friday and Saturday was successful in a big way affording good entertainment and taking in a good profit to be used in boys and girls work sponsored by the Lions Club in this county.

Along with the many activities, there were two parades, a pet parade and a bicycle parade with recognition being given the best exhibitor.

In the pet parade, Betsy Sue Caperton won honorable mention with her dog; John Tally Denson won a prize with his dog; and Gloria Hearne won with her pet goat.

In the bicycle parade, Eugene Kirk and Gillis Gresham were acclaimed the two best clowns; Stewart Perkins had the best decorated bicycle and Gerald Henderson displayed the oddest appearing bicycle.

In addition to these prizes, holders of lucky numbers were awarded prizes throughout the evenings.

Mrs. R. L. Batte will be the principal speaker speaking on the Christian Home. Each member is asked to bring sandwiches for the refreshment session at the conclusion of the evening.

CAMERON LAWYER WRITES ARTICLE FOR KENTUCKY LAW JOURNAL

Mose G. Cox, widely known Cameron attorney, who recently read a paper before the Texas Bar Association in which he reviewed with alarm certain tendencies of the national government to encroach upon the freedom of the courts and to otherwise set aside established American principles of law and procedure, has received a letter from the law firm of White & Smith in Glasgow, Kentucky, requesting permission to print the address in the Kentucky State Bar Journal.

The paper was published in the Texas Bar Journal under the title, "Creating a Despotism." Mr. Cox who has just returned from Mexico City, has also received a letter from the law firm of Baker, Botts, Anderson & Wharton in Houston regarding the Texas Bar Journal's publication of his address.

OLD CITY PARK MAY NOT BE BEST LOCATION FOR SWIMMING POOL

Location of a swimming beach in the city is a matter to be thought about profoundly before any decision is made.

The City Council, according to information at hand, plans the construction of a swimming pool in the city of Cameron and to locate this pool in the old City Park. It might be well to take into consideration the fact that this park is small and does not provide any parking space. In addition U. S. Highway 77 separates this park from another section of City Park creating traffic hazards that enter largely into any objection regarding the proposed location of swimming pool.

It does not seem logical for the city to contemplate an expenditure of this nature or to provide an entertainment center of this importance with out due regard to its location with reference to traffic and parking accommodations.

There is available other sites more suited to an enterprise of this kind and citizens no doubt will be of the

same mind, hoping the City Council will give mature consideration as to location of a swimming beach.

MRS. DONALD WIER ATTENDS FUNERAL OF STEP-MOTHER IN KANSAS

Mrs. Donald Wier left Cameron on last Wednesday for Wellington, Kansas to attend the funeral of her step-mother, Mrs. J. W. Cramer, who was killed in an automobile accident in Upton, California.

Mrs. Cramer was in California attending a Golden Gate Exposition in San Francisco and was preparing to return home on the following day when the accident occurred. She died Saturday, October 7 and her body was taken back to Wellington for burial.

Mrs. Wier expects to be gone about two weeks.

SUNDAY BEER LICENSE TAKEN FROM 3 OPERATORS

Supplementary license or license that permits the selling of beer on Sundays were taken from Robert Key and Sombo Washington, negro and Fred Gorden, negro, by Mede Miller of the Texas Liquor Control Board on Wednesday. The operators voluntarily gave up their license when it was found they did not sell the required proportion of food and other products to operate their business on Sundays.

J. E. JOHNSON SAILED ON SHIP IRIQUOIS TO SANTO DOMINGO IN 1919

J. E. Johnson, Cameron architect who spent a number of years in Central America, was looking through the files of old photographs taken twenty years ago and found that the ship on which he sailed at that time was the Iriquois which figured prominently in the news last week when a warning was received from the German navy that the boat was to be sunk as it neared American shores.

Mr. Johnson took a photograph of the Iriquois in 1919 at the docks in Barahona in the West Indies. He went to that country for a large sugar refining industry. He said the ship made a number of trips and carried a great portion of the machinery and supplies.

GRAND JURY SUBMITS FINAL REPORT

The grand jury for the September term of district court adjourned late Wednesday afternoon an eleven day session during which time they returned 36 indictments, 31 of the grade of felony and 5 of the grade of misdemeanor.

32 indictments had been made prior to the last session which began on Monday. The four remaining indictments are as follows: Jack Weber charged in 6 cases of forgery and passing forged instruments, John Olbrich, charged with driving while intoxicated; Maude Crain charged with aggravated assault, transferred to county court and another not announced because no arrest has been made.

COTTON REPORT

The latest figures submitted by Ray O'Neill, special agent for the Department of Commerce, show that 23,996 bales of cotton were ginned in Milam county from the 1939 crop up to October 1.

For the same period last year 30,107 bales were ginned or 6,911 bales more than for this year.

TIES PONY TO COOP AND RELEASES CHICKENS

A chicken coop will do for a hitching post when there is nothing better available but it might cause some momentary excitement as was the case this morning when Leland Green of the Green & Boedeker reported to Constable B. F. Bailey that chicken thieves had visited coops on Friday night.

Mr. Green reported the loss of an undetermined number of chickens and said the thieves turned out of the coops all of the fowls they didn't take with them. Upon investigation it was learned that Ben Hardy Bailey had tied his pony to the coop at the Green & Boedeker Store after the parade in which he took part on Friday night as a part of the carnival sponsored by the Lions Club.

Women: "Build-Up" To Relieve Pain

A weak, run-down, undernourished condition calls for attention!

Such a condition often enables functional dysmenorrhea to get its foothold. That's one thing which leads to much of women's suffering from headaches, nervousness, those cramp-like pains. A good way to relieve such pains, women by thousands have found, is by the proper use of CARDUI. It stimulates a lagging appetite, assists digestion and assimilation; thus helps build physical resistance to periodic pain. Taken just before and during "the time," many women also report that CARDUI helps to ease the pain and discomfort of the period.

ON TOP OF THE WORLD

The confidence of a man and woman starting their lives together is a shining inspiration for everyone. Their future for years ahead is planned and charted, with hardly a thought given to the possibility that their dreams may not come true.

Yet, they realize full well that they cannot trust to luck alone. When they consider their plans with a more matter-of-fact view, they admit they must be prepared for the good things of the future, for sudden financial emergencies. They're sitting "on top of the world"—but they're down to earth because they save a part of the family income regularly. Their Savings Account is their stepping stone to realization of their present plans. Why not follow their example? Start your own Savings Account today and watch it grow!

DEFEAT FOR HITLER IS WORLD VIEW IN SOVIET FAILURE OVER BLACK SEA

The British government today announced that Great Britain and Turkey had signed a mutual assistance pact and it was believed that France and Turkey would conclude the same agreement within the next few hours.

The signing of this pact was said in foreign capitals to indicate a general defeat for Germany because it was known that Hitler was actively making Russian negotiations with Turkey in which Russia was asking virtual control of the Dardanelles entering the Black Sea.

Turkey flatly refused to barter her independence in a deal with Red Russia and turned resolutely to England and France.

The pact does not mean Turkey will enter the war on the side of England and France but in the event of war in the Mediterranean or if Turkey is attacked, the pact goes into immediate effect.

The agreement signed between England and Turkey is an effective safeguard against Italy because Turkey is bound to enter the war on the side of the allies if Italy fights for Germany.

A spirited air battle occurred today over the coast of Scotland when British planes drove off and inflicted casualties on a number of Nazi reconnaissance planes.

Adolf Hitler served notice today on all neutral countries that any ship being convoyed by naval vessels of belligerent countries would be sunk without warning. The warning included the United States as well as other neutral countries.

On the western front fighting had been resumed between Germans and

French but no advance had been made over the previous day.

It was reported today that Soviet Russia and China have under discussion a military alliance. It was said that China had despaired of any hope from western powers and was turning to Red Russia to save herself from Japan.

her parents, continued to live in the palatial Cass home which was closed when she was taken to Houston for treatment.

Rev. Cloyd of the First Baptist Church paid touching tribute to her life in a funeral oration delivered in the chapel of the Coleman Undertaking Company from which point the body was taken to Oak Hill cemetery and interred by the side of that of her late husband, Sam Hefley and the late J. C. Joseph who lived in the Cass home for more than 40 years and who died in 1935.

Pall bearers were H. M. Hefley, B. F. Bonds, H. F. Smith, Jr., J. B. White, Monta Thomas and John B. Henderson.

Methodist Church, delivering the funeral sermon. Services at the grave were under the auspices of the Masonic Lodge of which he was a long time member. Burial was in Salem cemetery.

Mr. Stevens had been critically ill at his home for a number of weeks and was thought to be improving but suddenly became worse on Saturday shortly before his death.

The pioneer Milam county man is survived by his widow, Mrs. Bob Stevens and three children as follows: Mrs. R. L. Storey of Cameron, Wesley Stevens of Salem and Bob Stevens of Lexington.

Rotarian

(continued from page one)

account of the Rotary Club meeting in Mexico City attended by himself, Mrs. Blake and Mr. and Mrs. M. G. Cox. For the club file Mr. Blake brought back a copy of the club publication. He said the program was in honor of Columbus Day and the speaker had recently returned from Rio de Janeiro as a member of the committee to make arrangements for the next convention of Rotary International.

Albert Collins, whose assignment was discussion of the hospitality accorded the Cameron party, gave a number of interesting sidelights on the visit to the Mexican capital. Mr. Collins said that there was uniform courtesy among all the people and described the interesting sights of the city. The modern shops, he said, were very interesting. They were also greatly impressed by the climate and the flowers, stating that carnations of the most beautiful variety grow mild like many of the Texas prairie flowers. The residences in Mexico City, he said are among the most beautiful in the world and are constructed at only a fraction of the cost of American homes.

Closing the program was Coach Carol Wood who had the crowd in an uproar describing the rough and tumble football game the Yoemen had to play against the American Foundation School. Wholesale disregard of rules and penalties for which no reason was given together with other unusual obstacles, made the going very hard for the Yoemen. Contrary to his system of coaching after the game had proceeded and realizing the Yoemen must protect themselves, he gave them instructions to meet the Mexicans at their own game and from that point on, said the coach, it was more like a bull fight than a football game. Coach Wood said his team played an excellent game but due to conditions both climatic and the fact that they were playing a college, convinced him the Yoemen were fortunate in getting away with so slight a defeat.

Superintendent E. A. Perrin, a guest of toastmaster, Swift, made interesting comment on the trip down and was cheered for his tribute to the Cameron team, to the coach and all who took part in this first game on foreign soil.

Negro Tenor Presented At Waco Hall, Oct. 24

Last year Baylor University was fortunate in being able to present Marian Anderson, greatest contralto on earth, and the greatest female singer of her race. This year, Baylor follows up with the greatest negro tenor in history, and one of the greatest tenors of all time regardless of race. He is Roland Hayes, known internationally for his rich, mellow voice, who will appear in Waco Hall on October 24, at 8:15 p. m.

Roland Hayes started life as a barefooted boy driving a bullock-drawn plow through the clay soil of Georgia on the farm of his widowed, slave-born mother. From this humble beginning, he has inched his way to the heights of world-wide musical fame. During the entire time he has earned his living and helped support the rest of his family while he was struggling for musical training.

"Build-Up": Way to Ease Women's Pain

Many weak, run-down women are in a vicious circle. Their undernourishment often leads to what is called functional dysmenorrhea and its symptoms—headaches, nervousness, irritability, intermittent cramp-like pains—from which many women suffer. Surest way to break the vicious circle is by building strength and energy, which so many find may be done with the help of CARDUI. It stimulates appetite, aids digestion, and thus helps in this "build-up" of physical resistance. Women also report that, if taken just before and during "the time," CARDUI helps to ease the pain and discomfort of the period.

FARM CONDITIONS IMPROVING RAPIDLY

Recent rises in prices of crops and livestock and an increasing demand for farms and ranches sound an optimistic note for Texas agriculture, according to R. F. Hampton, district supervisor for The Federal Land Bank of Houston. Mr. Hampton has just attended a three day conference in Houston with A. C. Williams, president, and other officials of The Federal Land Bank.

With the strengthening of the farmers' and stockmen's financial position, Mr. Hampton said, it is anticipated that a corresponding improvement will be shown in the collections of National Farm Loan Associations. There are 320 of these local associations making long term land mortgages loans in Texas.

The increasing demand for farm lands is reflected in the larger number of applications being made to The Federal Land Bank for loans for the purpose of buying farms or ranches. In addition, The Federal Land Bank is putting bank-owned farms back into private hands just as rapidly as possible. So far in 1939, the bank has returned more than 450 farms to private ownership representing transactions totaling more than one million dollars.

While in Houston, the district supervisors attended a private showing of motion pictures, in natural colors, of farming and industrial scenes in Northern Europe. These pictures were made by Mr. Williams, who recently made an extended trip for the purpose of studying agricultural conditions in England, Norway, Sweden, Denmark, Holland and Germany, returning shortly before the outbreak of hostilities.

FIRST METHODIST CHURCH

Childhood and Youth Week is being observed by some eight million Methodists throughout the nation that as parents we may pause and ask ourselves in the busy affairs of everyday life, "Home much time and thought are we giving to the religious development of our children?" The attitude of father and mother towards God, His Church and Christian living, in a large measure determine the attitude of the children. This attitude may be active or passive and since actions speak louder than words, we say by example, This is what your dad and your mother think of God, His Church and Christian living, and by their own actions, the childhood and youth of our homes answer back. This is what we think to. This a common law of life that no one can gainsay. Godly homes promote peace and goodwill, ungodly homes furnish the criminals of the country. Life has its beginning in the home and Jesus Christ is the one and only safeguard against those things that mar the peace and happiness of mankind. Without Christ, there are many roads that lead to evil. Childhood and Youth Week should have due consideration by all parents. There were forty present on Wednesday evening at the banquet for parents. Both the church school and worship service Sunday morning will feature the Childhood and Youth Week program. It being Rally Day also, in the church school every effort is being made for a hundred per cent attendance.

The public is invited to worship with us.

A. J. McCary, Pastor.

GRAND JURY SUBMITS FINAL REPORT

The grand jury for the September term of district court adjourned late Wednesday afternoon an eleven day session during which time they returned 36 indictments, 31 of the grade of felony and 5 of the grade of misdemeanor.

32 indictments had been made prior to the last session which began on Monday. The four remaining indictments are as follows: Jack Weber charged in 6 cases of forgery and passing forged instruments, John Olbrich, charged with driving while intoxicated; Maude Crain charged with aggravated assault transferred to county court and another not announced because no arrest has been made.

COTTON REPORT

The latest figures submitted by Ray O'Neill, special agent for the Department of Commerce, show that 23,096 bales of cotton were ginned in Milam county from the 1939 crop up to October 1.

For the same period last year 30,107 bales were ginned or 6,911 bales more than for this year.
